The student-led tours visit areas of interest to prospective undergraduate students, including a residence hall, dining facility, library, and classroom building. **Visitor reservations are required** and two weeks' notice is recommended. To see visit options and schedule a tour, visit campusvisit.osu.edu. For more information about visiting campus, go to osu.edu/visitors.

Campus Architecture and Landmarks

ENARSON HALL* (L-9), 154 West 12th Avenue, originally a student union, was completed in 1910 and has been enlarged or refurbished eight times. It is now home to the Office of Undergraduate Admissions and First Year Experience.

FISHER COLLEGE OF BUSINESS CAMPUS (J-6), a multi-building business campus featuring satellite uplink capabilities, an investment laboratory, video conferencing, and an executive hotel and conference center.

HAYES HALL* (L-7), built in 1893, the first Ohio college building designed and used exclusively for manual, technical, and domestic instruction. It is now home to the Department of History of Art and other academic areas.

KNOWLTON SCHOOL OF ARCHITECTURE (J-6), features gallery space for exhibitions, central review space, two computer labs, roof garden, a digital image library, and café.

KUHN HONORS AND SCHOLARS HOUSE (K-9), home to the University Honors Program and the Ohio State Scholars Program and once home to university presidents.

MIRROR LAKE (K-8), originally fed by a natural spring, figured prominently in selecting the site for the university. Mirror Lake Hollow includes Browning Amphitheatre, Bucket and Dipper Rock, the Faculty Club, and Pomerene Hall—all campus landmarks in their own right.

OHIO STADIUM* (I-7), completed in 1922, the first horseshoe-shaped double-deck stadium in the country, seats some 104,000.

OHIO UNION (L-8) The new Ohio Union opened in March 2010. With over 30 meeting and event spaces, a variety of restaurants and shops, and Buckeye traditions throughout, the new union is the place to meet on campus.
